1xbet Bonus sign-up terms and conditions

As is the case at all

online bookmakers, it is crucial to meet all the required terms and conditions of a welcome offer and we'd hate to see anything take place that puts receiving this in jeopardy.

Each customer is entitled to only one bonus, and only one bonus may be awarded per family, address, shared computer, shared IP address, or per account details (including email address, bank account details, credit card information and payment system account number).

The bonus amount will be credited to the customer account after the first deposit is made only if all account details are fully correct. This bonus amount cannot be used in conjunction with any other promotional features offered by the 1xbet site.

The bonus amount must be settled before any withdrawals can be made from a customer account. In order for a bonus amount to be considered settled, it must be rolled over at least 5 times in accumulator bet. These accumulator bets must all have at least three selections, and each selection must be of min. odds 1.4 (2/5).

After the

bonus has been redeemed, the main customer account will be credited with the remaining bonus funds, which will not exceed the bonus amount. The bonus is valid for a 30-day time-period after registration. Once this period ends, the bonus and all winnings made

on the bonus will be revoked.

Our tips on how to use your
1xbet free bet

Provided that you follow all the terms and conditions attached to this welcome bonus, it will prove to be a very exciting welcome to you as a new customer of the 1xBet site. As the outcome of the bets required to redeem the bonus will directly affect the amount you can withdraw once the bonus is settled, we would recommend placing your bets near the minimum odds of 1.4 (2/5). This is a less risky betting option, and gives you a higher chance of picking a winning bet, and as such a higher chance of receiving potential gains into your customer account.

As you have an entire

30 days in which to rollover your bonus amount, we recommend taking your time and doing some research before placing your bets. 30 days is a very long time in the online betting world, and you'll have a vast multitude of wagering options available to you.

As such, it would not make sense to rush into a bet on the 'hot favourites' without first doing some research on the meeting. Take your time and think out your strategy carefully, you will not regret it.
