BWIN BONUS SPORT: OUR ADVICE

Make sure that you verify your account once it has been created. When you register, failure to do so will not allow you to use your account.

When it comes to making your initial bet, remember that the maximum free bet that can be received is £20.

Take a bit of time to make your first bet. Do some research on the selections that you make. This is a chance to place a bet that has high odds, knowing that if it is a losing one, you will receive a free bet.

The situation is

this, if it wins you start life of on the site with a good winner. If it is a loser, then you will see your stake replaced with a free bet, so take the gamble but do some research of course. Use the free bet well though, carry out research and give yourself a great chance of getting a return from it.

What you should not do

Don't forget to verify your account.

Don't worry about a promo code, you don't need one to claim this welcome offer.

It's not going to get you this welcome offer if you use a payment method that is not valid for this promotion. Ensure you know which ones are valid and use one of those. Neteller, Skrill, Entropay and PayPal are the ones to ignore.

Don't place an initial bet of over £20.

Remember that this offer

has an odds restriction. A bet placed on an odds-on selection with odds of less than 1.5 (1/2) is not valid. Don't place singles or doubles and leave horse racing alone at this stage as it's not valid for this offer.

Also don't cash out your bet or place a system bet, that won't see you receiving anything from this Bwin promotion.

When you

get your free bet, don't just use it right away. Take a deep breath, do some research and use the free bet on a selection that has a good chance of being a winner. When you do use it, place a football bet as that is the only sport it can be used on.
