American reality television series

Poker Royale is a television series on the Game Show

Network (GSN), which featured No Limit Texas hold 'em Poker. The first series began on

December 7, 2004. The eighth and final series, Poker Royale: Young Bloods II, began

airing on December 9, 2005. The series host at its conclusion was John Ahlers, with

commentary by Robert Williamson III and sideline reporting by Lisa Dergan.

The series [

edit ]

Poker Royale: The WPPA Championship [ edit ]

The first series was based on the

championship of the World Poker Players Association. The show was hosted by Kevin

Nealon, with commentary by Williamson (Evelyn Ng provided commentary for the first two

episodes). Suzanne Freeman provided sideline reporting. A total of 72 players

participated and put up theR\$5,000 entrance fee.

Unlike later series, this series was

done in a tournament-style format where players who had zero chips were eliminated.

Also different from other series were that three tables were active during the early

episodes, and was later lowered to the top ten players at the main table in center

stage.

This was the only series where there was a contest for viewers. During intervals

of the program, various poker buzzwords would appear on screen. Viewers would log into

GSN's website and input this word for a chance to win up toR\$10,000,000 in a poker hand

with the winner of the WPPA championship.

In order to win the grand prize, the poker

tournament winner had to get a full house or better by choosing 5 cards from a deck at

random (each card was sealed in an envelope). James Van Alstyne won the tournament and

shared an additionalR\$30,000 with a member of GSN's website, in addition to the cash

received, they each won a year's supply of pizza from Pizza Hut.

Poker Royale: Battle of the Sexes [ edit ]

Poker

Royale: Battle of the Sexes was the second series, hosted by radio personality Tom Leykis and Kennedy. Additional commentary was by Williamson once again, except for preliminary match #6, when Matt Vaspersian covered for him. Suzanne Freeman again returned as sideline reporter.

As opposed to the previous series, this one relied on males vs. females, which also incorporated the current scoring format, where players would be awarded points for their teams, depending on how they finished in that particular episode (one point for finishing sixth place to six points for finishing first). The six players (three each of men and women) who had the highest points played in a grand final with the same rules as above, and the highest team score won the tournament and the 6 teammates split aR\$30,000 bonus (\$5,000 each) each daily winner also receivedR\$20,000, each finalist received aR\$5,000 bonus and the tournament's overall winner wonR\$40,000. Kathy Liebert won the tournament and a total ofR\$50,000. Despite losing all 6 preliminary games the women scored the most points at the final table to capture theR\$30,000 bonus.

The men were Chris Moneymaker, Paul Wolfe, Greg Raymer, Amir Vahedi, Layne Flack and Antonio Esfandiari. The women were Kathy Liebert, Jennifer Harman, Evelyn Ng, Karina Jett, Kristy Gazes and Clonie Gowen.

Results [ edit

(2 Preliminary wins +R\$5,000 for reaching the final table) Layne Flack:R\$25,000 (1 Preliminary win +R\$5,000 for reaching the final table) Antonio Esfandiari:R\$25,000 (1 Preliminary wins +R\$5,000 for reaching the final table) Paul Wolfe:R\$20,000 (1 Preliminary win) Greg Raymer:R\$20,000 (1 Preliminary win) Chris Moneymaker:R\$0

Poker

Royale: Celebrities vs. Poker Pros [ edit ]

Poker Royale: Celebrities vs. Poker Pros

featured famous poker players playing against celebrities. As before, the scoring system was used, but was altered (10 points for finishing first down to 0 points for finishing last). The six highest point-scorers would play in the grand final for the championship.

The celebrities who participated in this tournament were Lance Bass, Jennifer Tilly, Mimi Rogers, Morris Chestnut, Patrick Warburton, and Traci Bingham. They faced poker players Scott Fischman, Kathy Liebert, Cyndy Violette, Roxanne Rhodes, Paul Darden, and "Cowboy" Kenna James. John Ahlers became the permanent host with this series and Lisa Dergen became permanent sideline reporter. Matt Savage and Bill Bruce were the Tournament Directors.

Patrick Warburton was the eventual winner and receivedR\$50,000, Preliminary match winners each receivedR\$5,000, finalists won

aR\$5,000 bonus.

Poker Royale: Young Bloods [ edit ]

Poker Royale: Young Bloods was a

live special that premiered on May 20, 2005. It initially ran approximately 2 hours 15 minutes. Subsequent airings were edited for a two-hour timeslot. All the players were under the age of 30. Players were awarded cash prizes based on the order of finish. The winner receivedR\$20,000, second placeR\$10,000, and third-sixth receivedR\$5,000. The players were Michael Mizrachi, David Williams, Michael Sandberg, Erin Ness, Erica Schoenberg, and Scott Fischman. There were two final table events between these players. In the first event, Williams defeated Ness heads-up to take the win. Sandberg took third. In the second event, Williams outlasted Sandberg heads-up. Mizrachi took third.

Poker Royale: Comedians vs. Poker Pros [ edit ]

Poker Royale: Comedians vs.

Poker Pros was similar to Celebrities vs. Poker Pros, but with stand-up comedians in lieu of celebrities. This series had more preliminary games than in previous series (ten instead of the previous six). The comedians were Paul Rodriguez, Robert Wuhl, Mark Curry, Tammy Pescatelli, Carol Leifer, and Sue Murphy. They faced off against poker players Phil Laak, Robert Williamson III, Linda Johnson, David Williams, Connie Kim, and Kathy Kolberg. Since Williamson was a competitor, "Cowboy" Kenna James took the commentator spot for this series. In this tournament the top 2 comedians and top 2 pros were guaranteed a place in the finale with the next top 3 of each team having to earn a spot through the wild card game played for no money. Phil Laak won the tournament and theR\$50,000 grand prize, Kathy Kolberg finished runner-up and receivedR\$10,000.

Poker

Royale: The James Woods Gang vs the Unabombers [ edit ]

James Woods and other poker

players about to begin their Poker game at Pechanga Casino

Poker Royale: The James

Woods Gang vs. the Unabombers featured two teams featuring celebrities and poker pros. Once again, the point system was used, but this time points were combined into a total score for the whole team as opposed to scores for individual players. In the grande finale, each team captain and 2 team members of his choice divided this total multiplied byR\$10,000 in chips (choosing who would get the extra chips if it could not be divided evenly), each preliminary winner receivedR\$5,000, the winning team splitR\$50,000, while the overall individual winner wonR\$25,000. The James Woods Gang was led by celebrity and poker player James Woods, and had celebrities Nicole Sullivan, and Bob Goen, plus poker players Kathy Liebert, Ted Forrest, and Susie Isaacs. The Unabombers were led by Phil Laak. His team had celebrities Jennifer Tilly, Danny

Masterson, and Gail O'Grady, plus poker players Hasan Habib and Cyndy Violette. Matt Savage and Bill Bruce returned as the Tournament Directors.

to Grand Final winner,R\$50,000 to winning team. Team captains pick two team members to take part in the final.

Poker Royale: Battle of the Ages [ edit ]

Poker Royale: Battle

of the Ages was the most recent series of Poker Royale. This one featured six poker players over the age of 60 playing against six players under the age of 30. The older players were T. J. Cloutier, "Action" Dan Harrington, "Miami" John Cernuto, Barbara Enright, Maureen Feduniak, and Wendeen Eolis. The younger players were Michael Gracz, Dutch Boyd, Erin Ness, Evelyn Ng, Jennifer Leigh, and Kasey Thompson. A bounty was introduced for each episode. At the beginning of each show each player would be dealt a card, the one with the ace of spades would be the "bounty" if he or she lost whoever eliminated them won aR\$1,000 bonus. (splitting the prize if more than one player was involved) if he/she went on to win they would receive theR\$1,000 bonus. Matt Savage and Bill Bruce were, once again, the Tournament Directors.

Results [ edit ]

4R\$400 bounty on this player

Poker Royale: Young Bloods II [ edit ]

Poker Royale: Young Bloods II was another

special featuring poker players under 30, and aired on December 9, 2005. This special featured the same players and format as the first Young Bloods.

Kenna James once again

did commentary instead of Williamson for this special.

Airings [ edit ]

GSN aired new

episodes of Poker Royale every Friday evening from 10:00 p.m. to 11:00 p.m. EST, part of their Casino Night block (the block has since moved to Mondays, and does not feature Poker Royale). Episodes of previous seasons are rerun occasionally on GSN.

As of 2006 ,

GSN does not intend to do any more Poker Royale shows. A cash game poker show titled High Stakes Poker premiered on January 16, 2006 on GSN. This series is unrelated to Poker Royale. GSN has since returned its focus exclusively to game shows, and they reverted their on air branding to Game Show Network, so it is unlikely that reruns or a new series of Poker Royale will air on the network in the foreseeable future.

## bet nacional png :vai de bet gusttavo lima

E L

about sabe como é herdar uma bagunça econômica. Fez isso bet nacional png 1974, quando o Reino Unido estava à beira de um período com alta inflação e aumento do desemprego; fez nas circunstâncias ainda mais difíceis da 1945 vai fazê-lo novamente se vencer na quarta feira (04/07).

As coisas não são tão sombrias como eram quando a Segunda Guerra Mundial terminou, mas lidar com os choque de gêmeos dos últimos cinco anos – uma pandemia e guerra europeia - tem sido um desafio. Reparar o dano será caro ou demorado!

Em todos os lugares, desde listas de espera do NHS até ruas cheias com buracos públicos há sinais da decadência no setor público e ainda assim o investimento está sendo cortado. O capital humano foi corroído por causa dos padrões humanos que caíram ao longo das décadas anteriores à crise aguda; impostos foram aumentados para a dívida nacional bet nacional png seu nível mais alto: Com inflação caindo cada vez maior retornando aos anos 60 – existem indícios na economia gradualmente saindo dum período agudo como uma grande situação econômica - mas isso é prejudicado ou machucado pelo governo brasileiro!

Estas também foram as circunstâncias que confrontaram a administração do pós-guerra de Clement Attlee – apenas mais ainda. Grã Bretanha estava bet nacional png seus altos quando terminou o conflito, mas apesar da frente com aquilo seu principal conselheiro econômico John Maynard Keynes chamou um "Dunkirk financeiro", O governo embarcou num programa radical reforma ao longo dos próximos seis anos levou à criação das NHS eo estado bem estar berço grave (BBS)). Continua sendo uma referência contra todos os governos medidos posteriormente."

Houve uma série de fatores que ajudaram Attlee a partir 1945 bet nacional png diante. O espírito coletivista do tempo da guerra foi forte e continuou no período pacífico, as minas carvãoárias (as ferrovias) foram colocadas sob controle público efetivo entre 1939-1945; portanto nacionalizar o país beneficiário Marshall era relativamente incontroverso --o crescimento liderado pela exportação exigiu eleitores para se submeterem ao racionamento com muito mais brutal dosagem dos austeridade desde 2010. Mesmo assim os trabalhistas só conseguiram cumprir bet nacional png maior ajuda manifestada pelos EUA porque

Claramente, o discurso do Partido Trabalhista para os eleitores bet nacional png 2024 é muito diferente da reforma radical que estava oferecendo no 1945. Por um lado diz-se de uma forma clara e inequívoca: as falhas dos conservadores nos últimos 14 anos exigem mudança na direção; por outro parece não ser capaz nem mesmo esboçar a visão daquilo como seria essa transformação além das reformas ao sistema planificadora – foco nas habilidades ou novo acordo com trabalhadores!

Os sindicatos já temem que o último nessa lista – um pacote de novos direitos trabalhistas - será diluído como resultado do lobby por empresas. Rachel Reeves, a chanceler da sombra diz: "O Reino Unido precisa mais agora é estabilidade e bet nacional png discurso no início desta semana ela chegou ao ponto para afirmar" De certa forma Orwelliana " Estabilidade É Mudança". A estabilidade faria uma mudança, isso é certo e Reeves and Keir Starmer podem estar certos bet nacional png pensar que muitos eleitores são conservadores de pequena escala c), não

favorecem políticas radicais.

A passagem de 49 dias igualmente da Liz Trus bet nacional png Downing Street, tornou ainda mais difícil para o Partido Trabalhista se desviar do sistema econômico e financeiro na qual um Banco independente define taxas dos juros. E uma Responsabilidade Orçamentária Independente julga decisões fiscais ou sobre gastos; não é verdade que havia muita evidência no atual partido trabalhista querendo balançar a embarcação mesmo assim: quanto ao Starmer (e Reeve) está preocupado com isso...

O que significa, portanto tudo isto está a moldar-se para ser uma campanha curiosa. Ambas as partes dizem o outro representa um risco à economia mas ambas estão comprometidas com esta mesma regra fiscal absurda e diz: A dívida como parte da renda nacional deve cair dentro de cinco anos

Ao manter a ficção de que eles vão ficar com planos ultra-apertados após as eleições, ambos os principais partidos dizem não haver necessidade para levantar quantidades sérias do dinheiro extra através da elevação dos impostos. Ambos afirmam ter um plano na economia mas isso equivale ao mesmo planejamento: A esperança é uma crescente e econômica vai permitir evitar decisões impopulares sobre o imposto ou gastos; Aumentar taxa bet nacional png crescimento econômico será muito mais difícil ainda se comparado aos políticos estão dispostos à admitirem O trabalho está a milhas à frente nas pesquisas e jogando seguro. A abordagem "não deixe cair o vaso Ming" envolve posar tanto como partido pró-negócios quanto pro trabalhadores partidário, quer ser visto com uma escolha fiscalmente responsável que traz calma após os caos para se tornar um substituto da mudança de opinião ou continuar bet nacional png continuidade; bet nacional png contraste Sunak deseja quebrar as coisas: por exemplo...

Há dois riscos para Starmer e Reeves aqui. O menor risco é que os eleitores – muitos dos quais não gostam mais do conservador, mas eles preferem o trabalhista - mudem de ideia durante a campanha O maior perigo está bet nacional png ganhar um deslizamento ao estilo Attlee (atroleia), porém depois ele ainda tem pouco controle sobre isso; crescimento pode vir à tona no resgate da população ou talvez até mesmo mudarem suas mentes na época: "operto" significa zero-austeridade econômica!
