Spanish 21 is much like a Blackjack with a few twists! Spanish 21 uses six decks of cards with the tens (10's) removed. The player must place a regular '21' bet and may also place an optional 'Match the Dealer' wager. In 'Match the Dealer', the player is betting one or more of their cards match the dealer's up card.

Lack of medical license  
While some doctors openly praise Black Jack's for his surgical abilities, others disdain him for not having a license. The manga explains that he lost his medical license when he went against his superiors orders and performed a surgery on his lover who had late stage ovarian cancer.
